IMPORTANT INFORMATION ABOUT THIS ACCOUNT

PAYING INTEREST - We will not charge you any interest on Purchases if you always pay your entire "Grace Period Balance", as defined in the next two paragraphs, by the Payment Due Date. Specifically, you will not pay interest for an entire billing cycle on Purchases if you Paid in Full the two previous Grace Period Balances on your account by their respective Payment Due Dates; otherwise, each Purchase begins to accrue interest on its transaction date or the first day of the billing cycle, whichever date is later. We will begin charging interest on Balance Transfers and Cash Advances on the transaction date. If you do not have an active Custom Pay Plan, your Grace Period Balance will be the New Balance Total. New Balance Total (also referred to as the "Statement Balance") is the total billed amount as of the Closing Date of a billing cycle, as shown on your monthly statement, plus any adjustments for subsequently returned payments.

If you have an active Custom Pay Plan, your Grace Period Balance will be the Interest Saving Balance as shown on your monthly statement plus any adjustments for subsequently returned payments. The Interest Saving Balance is your New Balance Total minus, any balances subject to a Custom Pay Plan, plus any Custom Pay Plan Payment(s) due, as shown on your monthly statement.

TOTAL INTEREST CHARGE COMPUTATION - Interest charges accrue and are compounded on a daily basis. To determine the interest charges, we multiply each Balance Subject to Interest Rate by its applicable Daily Periodic Rate and that result is multiplied by the number of days in the billing cycle. To determine the total interest charge for the billing cycle, we add the interest charges together. A Daily Periodic Rate is calculated by dividing an Annual Percentage Rate by 365.

HOW WE ALLOCATE YOUR PAYMENTS - Payments are allocated to posted balances. We will first allocate the amount of your payment equal to the Total Minimum Payment Due to any Custom Pay Plan Payment due, then to the lowest APR balances in turn (including transactions made after this statement). Payment amounts in excess of your Total Minimum Payment Due will be applied to balances with higher APRs before balances with lower APRs, and finally to any Custom Pay Plan balances.

IMPORTANT INFORMATION ABOUT PAYMENTS BY PHONE - When using the optional Pay-by-Phone service, you authorize us to initiate an electronic payment from your account at the financial institution you designate. You must authorize the amount and timing of each payment. For your protection, we will ask for security information. To cancel, call us before the scheduled payment date. Same-day payments cannot be edited or canceled.

YOUR CREDIT LINES - The Total Credit Line is the amount of credit available for the account; however, only a portion of that is available for Bank Cash Advances. The Cash Credit Line is that amount you have available for Bank Cash Advances. Generally, Bank Cash Advances consist of ATM Cash Advances, Over the Counter (OTC) Cash Advances, Same-Day Online Cash Advances, Overdraft Protection Cash Advances, Cash Equivalents, and applicable transaction fees.

MISCELLANEOUS - Promotional Rate End Date: This date is based on a future statement closing date. If you change your Payment Due Date, this date could change. The New Balance Total which appears on this statement is not a payoff amount and may be subject to additional interest charges when you pay in full after your statement closing date. Virtual cards are the digital form of your eligible physical credit cards stored within a digital wallet.

CALCULATION OF BALANCES SUBJECT TO INTEREST RATE

Average Daily Balance Method (including new Purchases): We calculate separate Balances Subject to an Interest Rate for Purchases and for each Introductory or Promotional Offer balance consisting of Purchases by: (1) calculating a daily balance for each day in the current billing cycle; (2) adding all the daily balances together; and (3) dividing the sum of the daily balances by the number of days in the current billing cycle.

To calculate the daily balance for each day in the current billing cycle, we: (1) take the beginning balance less any Purchases assigned to an existing Custom Pay Plan; (2) add an amount equal to the applicable Daily Periodic Rate multiplied by the previous day's daily balance; (3) add new Purchases, new Account Fees, and new Transaction Fees; (4) subtract Purchases assigned to a new Custom Pay Plan; and (5) subtract applicable payments and credits. If any daily balance is less than zero we treat it as zero.

Average Balance Method (including new Balance Transfers and new Cash Advances): We calculate separate Balances Subject to an Interest Rate for Balance Transfers, Cash Advances, and for each Introductory or Promotional Offer balance consisting of Balance Transfers or Cash Advances by: (1) calculating a daily balance for each day in the current billing cycle; (2) calculating a daily balance for each day prior to the current billing cycle that had a Pre-Cycle balance - a "Pre-Cycle balance" is a Balance Transfer or a Cash Advance with a transaction date prior to the current billing cycle but with a posting date within the current billing cycle; (3) adding all the daily balances together; and (4) dividing the sum of the daily balances by the number of days in the current billing cycle.

To calculate the daily balance for each day in the current billing cycle, we: (1) take the beginning balance; (2) add an amount equal to the applicable Daily Periodic Rate multiplied by the previous day's daily balance; (3) add new Balance Transfers, Cash Advances and Transaction Fees; and (4) subtract applicable payments and credits. If any daily balance is less than zero, we treat it as zero.

To calculate a daily balance for each day prior to the current billing cycle that had a Pre-Cycle balance, we: (1) take the beginning balance attributable solely to a Pre-Cycle balance (which will be zero on the transaction date associated with the first Pre-Cycle balance); (2) add an amount equal to the applicable Daily Periodic Rate multiplied by the previous day's daily balance; and (3) add only the applicable Pre-Cycle balances, and their related Transaction Fees. We exclude from this calculation all transactions posted in previous billing cycles.

However, mailed payments need not be sent in a return envelope if we sent you a statement without a return envelope. We process most payment checks electronically by using the information found on your check. When you provide a check as payment, you authorize us to use information from your check to make a one-time electronic fund transfer from your account (or process it as a check or paper draft). When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment. Checks are not returned to you.

If you have authorized us to pay your bill automatically from your savings or checking account with us, you can stop the payment on any amount you think is wrong. To stop payment, you must contact us at least three business days before the automatic payment is scheduled to occur.

YOUR BILLING RIGHTS

Keep This Document For Future Use

This notice tells you about your rights and our responsibilities under the Fair Credit Billing Act.

What To Do If You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at:

Bank of America
P.O. Box 672050
Dallas, TX 75267-2050

In your letter, give us the following information:

- Account information: Your name and account number.
- Dollar amount: The dollar amount of the suspected error.
- Description of problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

Note: It is very helpful if your letter includes the transaction date and the reference number for the charge, if available.

You must contact us:

- Within 60 days after the error appeared on your statement.
- At least 3 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors in writing or electronically using online or mobile banking. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

What Will Happen After We Receive Your Letter

When we receive your letter, we must do two things:

1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your Total Credit Line.

After we finish our investigation, one of two things will happen:

- If we determine there was a mistake: You will not have to pay the amount in question or any interest or other fees related to that amount.
- If we do not believe there was a mistake: You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent, including to consumer reporting agencies, if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us within 10 days telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us.

If we do not follow all of the rules above, you do not have to pay the first \$50 of the amount you question even if your bill is correct.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50.
(Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with Cash Advances, for instance from an ATM or with a check that accesses your credit card account, do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us electronically using online or mobile banking or in writing at:

Bank of America
P.O. Box 672050
Dallas, TX 75267-2050

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.
