IMPORTANT INFORMATION REGARDING YOUR ACCOUNT

PNC is required to maintain deposit account records that will allow it to meet requirements of the Federal Deposit Insurance Corporation (FDIC) to accurately calculate the amount of deposit insurance available on each deposit account. For jointly owned PNC accounts, all owners need to sign an Account Registration and Agreement form (also called a Signature Card). Among other things, this will help ensure that the account is insured by the FDIC as a joint account.

As part of a review of our records, we've determined that we do not have a Signature Card displaying all owners' signatures.

Please call your local PNC Bank branch, at your earliest opportunity, to make an appointment for all joint owners to complete and sign a Signature Card for this account. Your failure to respond could result in a delay of deposit insurance payments, if there is a time when you become eligible.

Please visit pnc.com/locator to find the branch nearest you.

We're here to help. If you have questions or need assistance, please visit your local PNC Bank branch or call us at 1-888-PNC-BANK (1-888-762-2265).
